Exploring new
places and cities by
mouth and foot—the
perfect balance of
indulging in calories
and then burning
them off.

Earning those steps
by walking all over
the Happiest Place
on Earth as often as
possible.

Recreation programs are different
things to different people. Group
exercise and golf are two of my
favorite forms of recreation. But
gathering in our parks for a game of
frisbee and a BBQ is another type. It's
wonderful to see so many forms of
recreation all around me.

Have questions about our programs?
Contact us and we will be *happy* to assist you.

Letter from the Community Services Department Director

Summer Success • Our recent summer recreation programs, activities and events were very successful, both in numbers and our surveys, and the staff and I would like to thank you. We had over 7,000 registered participants in our summer activities including almost 3,000 in our swim lesson program. Having positive recreational, social activities during the summer is an important quality of life experience for our citizens.

Additionally our summer special events, including Thursday Night Lives, First Friday's Concerts on the Plaza and our Friday Night Movies in the Park all saw record attendances this year. Thank you for coming out and joining us. What a blast!

What's New • Our Mayor and City Council have recently approved a number of new exciting initiatives to move forward this coming year.

Our Off-leash Dog Area Program has been fully implemented by also expanding some hours and sites. The link on our City's Web page www.mountainview.gov/dogs can give you the specific sites and hours.

The approval of additional garden sites at Shoreline and Latham Avenue will begin to enhance the wonderful experience of this activity to so many more residents. We look forward to the excitement of designing this property and future construction.

And speaking of design and construction, the Mayor and the City Council have also approved the designs for 771 Rengstorff Avenue for a future passive neighborhood park, with a demonstration garden and static display of the Immigrant House. As well as the architectural design of the future renovation and expansion of our Community Center. All exciting future projects that will benefit so many residents.

Shoreline Athletic Fields Opening • And talk about exciting, the nearly complete multi-purpose athletic fields on Garcia Avenue will be opening this fall. Two large, astro-turf, multi-purpose athletic fields will be the home to so many youth sports organizations and games, activities and events, as well as adult specific leagues and activities. Keep an eye out for the Grand Opening Date.

Again, like us, hope you had a great summer and check out the many offerings throughout this fall "Activity Guide" for upcoming programs and events.

You will notice we are switching to a new "Active Net" registration system to make it easier and efficient for you to sign up. Review the details on the next page and hope it works out.

PS: Also, hope you like this new magazine format of this Activity Guide.

Proof of Mountain View Residency From time to time we may need to request proof of residency. Acceptable forms of proof include: Current California Driver's License or Identification, a recent utility bill, car registration, bank statement, or rental agreement on property management letterhead with a current address. Temporary DMV Change of Address cards, Post Office boxes, personal checks, letters, or flyers are not acceptable. The proof of residence must match the name and address on the registration form.

Class Attendance and Registration • You're excited and we're excited that you're ready to jump into an activity. Before you do, though, make sure you're already registered to participate. Registration does not happen in class, it happens either at the front desk of the Community Center or online. Please note that no refund or make-up classes will be issued for any missed activity.

Waitlist • Drats! You were this close to getting in! Your name will be placed on a waitlist if your first and alternate class choices are full. Once a spot becomes available, we'll go down the waitlist in the order our waitlist customers were added and if you're next, we'll get a hold of you. You will be given a 24-hour deadline to submit your Registration Form and payment. If your Registration Form and payment are not submitted by the given deadline, you will be removed from the waitlist and the next person on the list will be contacted.

Age/Birth Date • To register, participants must be within the required minimum and maximum age by the first day of class. All participants 17 years of age or younger must provide their date of birth. Proof of age may be requested.

- **Transfer** • Need to transfer from one activity to another? You may transfer to another activity as long as you meet the minimum age requirement, there is space available, and you send your written request three (3) business days before the first day of class. So that means if class starts on Monday, you have the Wednesday before to transfer. E-mail your transfer request to recreation@mountainview.gov. You will be assessed a \$10 processing fee per visit.
- **Withdrawal** • If you need to withdraw from an activity and receive a refund, e-mail us at recreation@mountainview.gov no less than five (5) business days before the first day of class. You may also submit a Withdrawal Request Form that you can download by visiting www.mountainview.gov/register. Just so we're on the same page, if your class starts on Monday, your last day to withdraw is the Monday before that class. You will be assessed a \$10 processing fee per visit.
- **Missed a class?** • Unfortunately, no refund or make-up classes will be issued for any missed activity.
- **Class already started but can I still join?** • Yes! We do not prorate any of the days that have already taken place, though. You just need to catch up with everyone else at the next class!

Late Pick-up • Parents and guardians arriving late to pick up their child from any recreation program will be assessed a \$6 fee per 15 minutes late. Participants receiving three (3) late pick-up fees will be removed from the specific program on the fourth late pick-up.

Behavior Violation • Participants receiving three (3) behavior violations will be removed from the specific program. A partial class refund may be granted at the discretion of the program supervisor.

Wait, what? You cancelled my activity?!

Classes not meeting minimum registration levels will be cancelled. Participants will be notified approximately three business days before class begins and issued a full refund, or be eligible to transfer to another class if space is available. Participants transferring will be responsible for any additional fees.

Shoreline at Mountain View is a 750-acre wildlife and recreation area on the City's northern edge. Bounded by development on all sides, its miles of walking, running, and biking trails; open meadows and scenic wetlands; and multiple recreational amenities provide local residents respite from busy schedules.

Visitors have access to walking or biking on the Bay Trail, hiking on Vista Slope, or Crittenden Hill; boating and kayaking on Shoreline Lake; may dine at Lakeside Café or Michaels, or can take in a round of golf at Shoreline Golf Links, all of which reside within Shoreline's boundaries.

Shoreline provides a unique opportunity to experience the historic Rengstorff House, one of the finest examples of Victorian Italianate architecture on the West Coast. Open Tuesdays, Wednesdays and Sundays for docent-led tours, the home also serves as a fine wedding and event venue on other days of the week.

After over 30 years in existence, Shoreline at Mountain View is still proud to be known as the place where wildlife, recreation, and history meet. Come see for yourself today!

*Protect our birds and wildlife!
No domesticated animals allowed.*
